Take a Book Leave a Book

Resident Ann McGilvray spearheaded a city library project at the building on W. Timberlane Dr. Alderman Brad Dawson donated his time to complete the project. Alderman Randy Smith used his laser engraver to design the sign. Ann keeps the little library stocked with a wide variety of reading. From children's books to self help manuals or recent mystery novels, you will be sure to find something interesting. Check it out!

Chris Duncan

Hillcrest Village hires Attorney Chris Duncan to provide counsel and represent the city in all legal matters. Mr. Duncan is a native of Brazoria County and has extensive experience representing area municipalities.

Residents Awarded Yards of the Month

This year, Hillcrest Village began awarding yard of the month for the months of June, July and August. Recognition is given to those homeowners who have strived to make Hillcrest Village a truly beautiful place to live. Next year, the city hopes to begin awarding yards as early as April. We would like to congratulate the following:
