- 9. Final Electrical
- 10. Final Pool
- 11. Backflow Prevention Test performed by MDS (charged separately on plumbing permit)

CITY OF HILLCREST VILLAGE PERMIT APPLICATION FORM

Permits must be issued prior to any of the following building activities to include, but not limited to, the following:

- New home or detached building construction
- · Additions to existing homes or detached buildings
- · Exterior remodeling, including roofing, siding, and so forth
- Modifications to plumbing including water, sewer, gas, and air conditioning and heating systems
- Electrical service modifications
- In-ground or above-ground swimming pools
- · Attached or detached building demolition or moving
- Erected fences

In short, any construction that changes, improves, or otherwise modifies the exterior of an existing building or any new construction erected on a property, or modifies plumbing, electrical or HVAC, requires a building permit. Building permits are obtained through the city office (281-756-0577).
