

Hello Ladies and Gentlemen of Hillcrest Village,

I would like to take a moment to introduce myself. My name is Troy Jolly. I have been associated with this Hillcrest Village for 55 years and have run for Alderman the last few elections. However, this time I would like to announce I will be running for Mayor.

We still need to work on getting our waterlines straightened out as well as our sewer lines. I do not expect these problems to solve themselves immediately. We have had the opportunities in the past to work on these and have let the assistance slip through our hands. I wish to try to help correct that as well as several other matters that need to be addressed.

I truly want to represent all peoples of this village.

I cannot sit here and tell you that I will solve every problem if elected but what I will do is listen to you and do my best to help our city solve its issues and your concerns.

If you have any questions please feel free to contact me. I will be more than happy to meet with you or come by and visit if I'm on my front porch and I will do my best to answer your questions as well as listen to your concerns.

Thank you.

Troy Jolly

Candidate for Mayor of Hillcrest Village
