

My name is Ramiro Mondragon. I have lived in the City of Hillcrest Village for the last 15 years with my wife and children and have had the privilege of serving as an Alderman for the past 13 years. During this time, I have worked hard to keep our city a quiet little community people can enjoy. I have helped to get our roads repaired, worked with individuals to clear up the drainage, along with helping citizens with many other needs. I ask for your vote so I can continue to serve you.
